

BUSINESS 2 LINES

Critical Information Summary

Information about the service

SERVICE DESCRIPTION

The Business 2 Lines VOIP is provided to small business Australian and overseas customers.

Australian Phone VoIP plans provide business access to make and receive calls over the internet to the Public Switched Telephone Network (PSTN), via Voice over Internet Protocol technology.

CONTRACT TERM

You have no contract liability; we provide service only on pre-pay basis.

KEY DETAILS

VoIP is internet telephony. The availability and quality of the service may differ from a standard telephone. Australian Phone only offers this service to customers who agree to waive all rights under the normal Customer Service Guarantee for this service. More information about Australian Phone VoIP services and the Customer Service Guarantee is available on www.australianphone.com.au

You must maintain a broadband connection of at least 512/128k speed for each line. You will be supplied with the required hardware (with an additional payment for equipment) to use the service if required, alternatively you may use soft phone on your PC or mobile.

Australian Phone VoIP Business two lines plan may be used to call the emergency number 000, in this case you should not regard any VoIP service as a reliable service in an

emergency. Priority Assistance does not apply to Australian Phone VoIP services.

VoIP services are not recommended if you/another resident or business demands have a disability, serious illness or other life threatening condition necessitating an uninterrupted phone line.

ONLINE BILLING

You can save and support the environment by opting for our online billing. Please visit MY ACCOUNT area at www.australianphone.com.au

TIO

Australian Phone Company requires that all Australian business customers supplying services directly to the end user are registered with the TIO. In the case where the customer is not the end user's CSP, but further on services to another downstream CSP, the customer must notify the downstream CSP of their responsibilities and obligations with regards to the TIO.

The Telecommunications Industry Ombudsman (TIO) is a free and independent alternative dispute resolution scheme for small business and residential consumers in Australia with complaints about their telephone or internet services.
