

CLOUD PBX – PAY AS YOU GROW

Critical Information Summary

Information about the service

SERVICE DESCRIPTION

The Cloud PBX Pay As You Grow VOIP business phone plan is provided to Australian Phone Company business customers.

Australian Phone Cloud PBX Pay As You Grow VoIP plan provides businesses access to make and receive calls over the internet to the Public Switched Telephone Network (PSTN), via Voice over Internet Protocol technology with set of contemporary PBX features.

CONTRACT TERM

You have no contract liability; we provide service only on pre-pay basis.

KEY DETAILS

VoIP is internet telephony. The availability and quality of the service may differ from a standard telephone. Australian Phone only offers this service to customers who agree to waive all rights under the normal Customer Service Guarantee for this service. More information about Australian Phone VoIP services and the Customer Service Guarantee is available on www.australianphone.com.au

You must maintain a broadband connection of at least 128k/128k speed per SIP extension and a power supply. You will be supplied with the required hardware (with an additional payment for equipment) to use the service if required, alternatively you may use soft phone on your PC or mobile.

Australian Phone VoIP business/residential plan can be used to call the emergency number 000, however you should not regard any

VoIP service as a reliable service in an emergency. Priority Assistance does not apply to Australian Phone VoIP services.

VoIP services are not recommended if you/another business/residential have a disability, serious illness or other life threatening condition necessitating an uninterrupted phone line.
